Birthdays...

- ✦ Pat has a birthday in July.

Come join us July 14th, 2018 for the
Annual Skinny Dip in the pool.
And guess what, it's the **AANR Nude
Skinny Dip Day**. NO ground fees that day!

Other NEWS

- ✦ The next time you sign in/out at the clubhouse **check** the desk for any **mail** with **your name** on it. **Contact the sender** to get an address change as soon as possible!
- ✦ **Looking for something to do?** Every month a copy of the North Plains Community Newsletter is printed and left on the counter at the clubhouse. There are many events (usually free of charge) listed. Keep involved, keep busy!
- ✦ Join MSR's "**Friday Night Celebration**" each 2nd Friday of the month. Members and guests bring their favorite beverage and snack to share. Entertainment includes pool and foosball, card games, and if there is a "game on" we watch sports on the big screen TV. Afterwards, it's a quick soak in the spa or a visit to the new sauna.

Every day is an empty canvas.
Others may shade or add color, but my hand holds
the brush that paints the pictures of my life.

Host News

• MSR will be hosting the **HONAT** (Hiking Oregon Naturally Annual Tour) group this year July 25th-29th. We are looking for volunteers to assist with providing a hot dinner for up to 30 guests each night for this event. If you are interested in volunteering please contact me. This is a great opportunity for exposure to the nudist community and raise funds for MSR. Check out the details on our Facebook page.

Friendly Reminders

- The MSR newsletter is now available to friends, family & visitors. If you know somebody who would like to keep on top of the hot topics of MSR please have them email a request to host@mountaindalesun.com.
- Each member is required to sign in at the Clubhouse on the day of their **ARRIVAL**. If you bring a guest to MSR for an overnight stay, it is your responsibility to register your guest and ensure that the overnight fees are paid **immediately** upon arriving on the grounds and a **registration envelope** is filled out completely. This is a security and safety matter. It is also a By Law that must be adhered to.
- If you are planning on a construction project on your leased lot, please contact the board with your plans prior to building. Reading the bylaws, procedure manual, and lot lease guide will provide you with the answers to many questions.

Rich's Trail Report

This has been a productive month for our beloved trail elves. As you stroll along the trimmed and freshly groomed trails that cross MSR's 104 spectacular acres, follow the ribbons that match the colors on maps that are posted at each trail intersection. The maps indicate the ribbon color for the trail being experienced as well as trail length, elevations, and huff & puff ratings to help keep you on track.

Our elves are thrilled to report the expansion of our disc golf course from one to three baskets. An additional two baskets have recently been donated and will be installed by mid June. As you are playing a round of disc golf or simply walking by the course, be sure to check out each hole. Experience the excitement at Sarachi! The tranquility at Serendip. And the knowledge at Athena. These baskets are eagerly waiting to catch a skillfully aimed disc.

If you prefer tossing a few discs without the doing a hike, check out the nearby Bella's Frisbee Adventure. Integrated in to our children's playground, this may be the perfect escape back to your childhood. Toss the disc rockin' from a caterpillar, while you are hanging on for your life on a swing, or as you avoid getting bonked by a tether ball. These challenges all add to the fun on this sit, stay, and fetch mini-course as it wets your appetite for the course above.

Our sincerest thanks to Don & Michelle, George & Sally, Ken & Jill, Verne, and of course our elves for their generous donations making these entertaining activities at MSR possible.

Donations for more baskets are still being accepted.

Experience MSR. Experience the fun we bring to the trails and to our resort.

Ok folks. It's that time of year when the doe(s) are having babies, especially in the last few weeks. So PLEASE drive slowly, carefully and watch out for our newest members.
