Cinco de Mother's day!

Come party with everyone and build your own burrito for **Cinco de Mayo**, MSR style. You can choose from chicken, beef or veggies and for the great price of **\$12** per person. Where else do you get a chance to break a piñata with all of your MSR friends and family. There should be other entertainment, but as of yet, it is **TBA**. But in all honesty, have a few piñatas and call that the entertainment. Have some music, kick back after eating and beating up paper animals and just enjoy each other's company. After all, we do have to celebrate the Mother's the next day. So let's make sure to wish them all the love we possibly can.

Thank You's...

To everyone who helped at the work party. We couldn't get everything done without wonderful volunteers like all of you. So appreciated. Thank you so much. 😊

Thank You's...

To George, Judy & Mike for a HUGE firewood donation. Warm nights are in our future!! 😊

Host News

- Welcome back to our snow birding members!
- Do you "like" MSR? I mean really 🙌 Like us? On Facebook, that is. If not, please do so for up to date information about us.
- MSR will be hosting the **HONAT** (Hiking Oregon Naturally Annual Tour) group this year July 25th-29th. We are looking for volunteers to assist with providing a hot dinner for up to 30 guests each night for this event. If you are interested in volunteering please contact me. This is a great opportunity for exposure to the nudist community and raise funds for MSR. Check out the details on our Facebook page.
- There are so many ways that you can make a difference for our club. Please look for the sign-up sheets in the clubhouse for opportunities to help.
- We are looking for volunteers to help move some cut up tree logs on the hiking trails. The winds blew a couple trees over. If you are available to help any day, any time, please call (503) 647-2449 or email host@mountaindalesun.com.

Rich's Trail Report

April showers bring Spring flowers to our trails. Trilliums and many other wildflowers are in bloom to enjoy as you stroll along our trails. Look in the sky, is that a UFO? It could be. But it also might be a Frisbee testing out a disc golf course concept we are designing in the drain field area. Walk the trails to the drain field as it is transformed in to a park-like setting where you may soon enjoy exciting new activities in the near future such as disc golf, geocaching, picnicking and whatever else our creative team can dream up. Pack a blanket and enjoy a lunch in the serene setting, but remember to not feed the wildlife ...unless they are your blood relatives.

Experience MSR. Enjoy the trails.

Friendly Reminders

- The MSR newsletter is now available to friends, family & visitors. If you know somebody who would like to keep on top of the hot topics of MSR please have them email a request to host@mountaindalesun.com.
- Each member is required to sign in at the Clubhouse on the day of their **ARRIVAL**. If you bring a guest to MSR for an overnight stay, it is your responsibility to register your guest and ensure that the overnight fees are paid **immediately** upon arriving on the grounds and a **registration envelope** is filled out completely. This is a security and safety matter. It is also a By Law that must be adhered to.
- It's **Spring time**, which means lots of spring cleaning going on. Please **do not** fill up the club trash bins when cleaning out your cabins. We have **limited** trash space for members day to day use.
 - Dispose of paints, chemicals, small appliances such as fans and vacuums properly off MSR grounds.
 - If you are generous enough to donate free items to our members, please come by to see if anyone has accepted your items. If they are still where you left them after a couple of days, remove them.
 - If you are selling/giving away larger items you are welcome to post a sign at the clubhouse but do not leave the actual item there.
- If you are planning on a construction project on your leased lot, please contact the board with your plans prior to building. Reading the bylaws, procedure manual, and lot lease guide will provide you with the answers to many questions.

Other NEWS

- ✦ The next time you sign in/out at the clubhouse **check** the desk for any **mail** with **your name** on it. **Contact the sender** to get an address change as soon as possible!
- ✦ **Looking for something to do?** Every month a copy of the North Plains Community Newsletter is printed and left on the counter at the clubhouse. There are many events (usually free of charge) listed. Keep involved, keep busy!
- ✦ Join MSR's "**Friday Night Celebration**" each 2nd Friday of the month. Members and guests bring their favorite beverage and snack to share. Entertainment includes pool and foosball, card games, and if there is a "game on" we watch sports on the big screen TV. Afterwards, it's a quick soak in the spa or a visit to the new sauna.

Some Mom Humor! Happy Mother's Day!!

Every day is an empty canvas.
Others may shade or add color; but my hand holds
the brush that paints the pictures of my life.
