- To score a point the shuttlecock must hit within the parameters of the opponent's court.
- If the shuttlecock hits the net or lands out, then a point is awarded to your opponent.
- Players must serve diagonally across the net to their opponent. As points are won then serving stations move from one side to the other. There are no second serves so if your first serve goes out then your opponent wins the point.
- A serve must be hit underarm and below the server's waist. No overarm serves are allowed.
- Each game will start with a toss to determine which player will serve first and which side of the court the opponent would like to start from.
