Article VIII – Membership

Membership shall run from May 1st to April 30th.

MSR affirms the policy of AANR and AANR NW against discrimination, namely: AANR NW reaffirms the AANR non-discrimination policy bylaws, Section I, Article IV A, "AANR welcomes all people willing to conform to its principles and standards, regardless of age, gender, marital status, religious beliefs, ethnic origin or sexual orientation." To AANR NW this includes welcoming all single, partnered and married people of all gender identities.

A. Eligibility:

1. Membership is open to individuals of good character who are 18 years of age or older.
2. A married person may join as a single with a letter from a spouse which gives their consent. The spouse, being a non-member, if coming to MSR shall pay all non-member fees. Such letters shall be kept in the member's file until the membership terminates.

B. Application Process:

1. Applicants must make three (3) visits while enjoying the freedom of nudity prior to being considered for membership. This requirement can be waived if the applicant has a sponsor who is a full member (not a probationary member) in good standing.
2. A one-time, non-refundable Application Fee shall be submitted with all applications for membership, except as provided below:
 - a. Any former member who discontinued membership while in good standing may rejoin within two years without paying the Application Fee.
3. Unless there are unforeseen circumstances, the Membership Committee will interview the applicant(s) within 40 days after the receipt of the application (including the non-refundable

Application Fee) and make their recommendation to the Executive Board at the next regularly scheduled Executive Board Meeting. During that time, and preferably no later than two (2) weeks after the applications and fees are submitted, a background check will be carried out. Upon a favorable recommendation, the Membership Chair and at least two (2) other members must sign the application.

4. The Grounds Fees will be waived from the date the application and Application Fee are received.
5. The member(s) will be notified that he/she will be accepted upon the receipt of the appropriate prorated MSR dues, one (1) year's AANR and AANR Northwest dues, if applicable, as a Probationary Member for a period of one (1) year.
6. Probationary membership begins the 1st of the month following the date the Executive Board members accept the applicant, even if the dues were submitted earlier.
7. If the application is rejected, the applicant(s) will be notified immediately, in writing, by two (2) Executive Board members or by certified letter and regular mail with a certificate of mailing, within ten (10) days of the decision. Rejected applicants cannot visit MSR, even as a member of another AANR club; or reapply for membership for one (1) year from the date of the applicable vote.
8. During this year, all Probationary member(s) must attend three (3) General Membership Meetings, at which at least 20 people are present. Introductions shall include an oral biography of the applicant(s) based on the written application and on relevant information from the interview. Background checks, references, and any further interviews will be conducted during this year of probation.
9. The to vote accept the probationary member(s) as a "full" member of their classification shall be taken at the General Business Meeting after the one-year anniversary when they were originally accepted as a Probationary member. This change of status in membership requires approval of two-thirds (2/3) of those voting by secret ballot at a Regular Business Meeting. The Probationary member(s) should be present and introduced at the General Meeting in which the vote takes place. In the event that the meeting is held virtually, attendance will be taken to determine the eligible voting members present. The voting will then take place no more than one (1) day after the Membership Meeting via electronic voting; and only those eligible members will be sent a ballot. If they are unable to follow this provision, the Committee Chair may determine whether or not they will be granted an extension of not more than 90 days to appear for a final vote.
10. Any member objecting to the Probationary member's(s) acceptance may state his/her objection before balloting begins. An objection may be made to all members present at the General Meeting when the vote is to take place, or if the protestor wishes, to the Board at any time during the Probationary year. If made to the Board, the Board will follow procedures set forth in A.VIII.C.7.d. In the event of a virtual meeting, the Probationary member(s) will be temporarily removed from the meeting via the Meeting Host to allow for discussion of objections to their acceptance.
11. In the event that a Probationary member cannot come to Saturday meetings, the Board has the discretion to waive the rule for attendance at three (3) meetings prior to the membership vote after the year-long probation.

If by a majority vote the Executive Board determines that the Probationary member does not meet the requirements for a member in good standing, the Probationary membership will be terminated.

1. Termination is then effective immediately after the Probationary member(s) has/have been officially notified: in writing, by two (2) or more Board members, or by certified and regular mail with a certificate of mailing. Upon termination, MSR shall refund any unused MSR dues within 15 days. Members terminated while on Probation cannot visit MSR (even as a member of another club) or reapply for membership within two (2) years from the date of the applicable membership vote.

1. **Leasable Lots:** All Lots designated Leasable as of December 31, 1988.
2. **Group Use Areas:** All developed or partially developed portions of the grounds which are not Leasable Lots as defined in item 1 above AND which are:
 - a. Currently occupied MSR-owned facilities (e.g. pool, Clubhouse, spa and sauna building, sports courts, water and sewer installations, and areas adjacent to any of these which are reasonably considered parts thereof), OR are
 - b. Currently used as trails, viewpoints, roads, parking areas, tenting areas, camper or trailer spaces, sunning areas, other established public areas, etc.
3. **Undeveloped Areas:** Any area not classified above as a Leasable Lot or as a Group Use area.

B. Conversion from One Grounds Classification to Another:

 - a. Conversion of a Leasable Lot to a Group Use area unless a new Leasable Lot is concurrently created.
 - b. Conversion of a Leasable Lot to an Undeveloped area, unless a new Leasable Lot is concurrently created.
 - c. Conversion of any Group Use area, or any portion thereof, to Undeveloped area, unless an equal amount of Group Use area is concurrently created.

 - b. Conversion of any Undeveloped area to a Group Use Area.
3. Conversions listed above may need to be paired or grouped to remain with County-imposed limits on MSR's total 'developed acreage' (total acreage minus Undeveloped area) and on MSR's total number of Leasable Lots.

4. Newly created Leasable Lots shall be offered to members in good standing.

Article XV – Leasable Lots

A. New Leasable Lots: Newly created full-size Lots shall be approximately 40 feet in frontage and 60 feet in depth. Terrain may cause a variation in size and shape. Half-size and double-size Lots may also be designated.

B. Lot Diagrams: All Leasable Lots shall be diagrammed. The diagrams shall be available to members.

C. Policy and Terminology:

1. No portion of MSR grounds may be sold to become a privately-owned Lot within MSR. All portions of the grounds, including all Leased and Leasable Lots, remain the property of MSR.
2. Any use of language in MSR Bylaws, Procedure Manual, or other documents which may seem to convey ownership of any portion of the grounds is inadvertent. Such language does not in fact convey ownership.
3. A Lease is an agreement between MSR and one or two MSR members who compose a Lease Unit as that term is defined herein.
4. MSR grants the exclusive right to occupy and use a defined portion MSR-owned ground in return for payments and other considerations specified herein.
5. The individuals who compose a Lease Unit may be, but need not be, joint holders of a Lease and joint owners of improvements thereto: one member of a Lease Unit may be the sole Leaseholder and the sole owner of improvements.
6. The Leasehold is the ground (a Lot) which has been leased.
7. A Leaseholder is the person(s) to whom the ground (a Lot) has been leased.
8. A Lease continues in force until MSR records the transfer of the Lease to another Leaseholder under the conditions specified herein.
9. A Leaseholder holds a Lease on a defined portion of MSR-owned ground (a Lot) but does not own the ground leased. The ground is owned by MSR. Thus, a Leaseholder may ask MSR to record transfer of the Lease to a prospective new Leaseholder but may not sell the leased ground (Lot) itself.
10. Improvements are modifications to the leased ground (e.g., grading), objects placed in the leased ground (e.g., sewer lines), objects growing in the ground (e.g., plants, shrubs, trees), objects installed above the leased ground (e.g., power lines), and objects placed permanently or temporarily on the leased ground (e.g., concrete pads, structures). Improvements are the property and responsibility of

the Leaseholder. Improvements do not include personal property items such as food, clothing, furniture, automobiles, and other operational vehicles.

11. A Leaseholder may, at any time, remove personal property items from the Leasehold. A Leaseholder may also remove such improvements as are practicably removable. Other improvements (e.g., sewer lines, shrubs, trees, concrete pads, etc.) must remain on the Lot.

12. All Leaseholders are recommended to have insurance on their habitable structures and required to have functional smoke detectors and fire extinguishers in those structures. Subletting your cabin, RV, or Leased Lot, regardless of if in pool of cabins that the Club may sublet on the Leaseholder's behalf requires a copy of your insurance to be in your Leasehold file.

13. Transfer of a Lease requires prior or concurrent sale to the prospective new Leaseholder of all improvements which are in, on, or above the ground of the applicable Leasehold (Lot) on the date the transfer is recorded.

14. The sale price of improvements to Leasehold is determined solely by the buyer and seller of the improvements. MSR may be either a buyer or seller. If MSR is neither buyer nor seller, MSR shall have no role in determining the sale price of the improvements or any other terms of sale. Neither buyer nor seller is obligated to disclose the sale price or other terms to MSR or to any other third party.

A Leaseholder and a prospective new Leaseholder must, within 30 days of the date of sale, state plans of improvements to the Leasehold, and jointly ask the Treasurer or his/her designee in writing to record transfer of the Lease. Each Leaseholder will be informed at the time of submitting such plans that Washington requires a building permit before making structural changes or other improvements.

- a. MSR shall collect a fee for recording transfer of a Lease.
- b. The prospective new Leaseholder is responsible for paying the Lease Transfer Fee. If the prospective new Leaseholder is eligible to hold a Lease and has paid MSR any applicable Lease Transfer Fee, the Treasurer shall record the transfer.
- c. Prior to paying the Leasehold Transfer Fee, the prospective new Leaseholder shall be informed by the Treasurer of any money past due on the Leasehold.
- d. Until the transfer is recorded, the current Leaseholder remains the Leaseholder of record and is responsible for all monies due MSR.
- e. The transfer fee must be paid prior to the new owner taking possession of the Lot.

15. When a transfer is recorded, the new Leaseholder becomes responsible for all Leasehold-related monies owed MSR by the prior Leaseholder.

D. The MSR Lease Unit:

1. A Lease Unit is one (1) unmarried MSR member, two (2) unmarried MSR members who have established a two-person Lease Unit, or two (2) MSR members who are married to each other.

2. Non-members of MSR are not in a Lease Unit.
3. Two (2) unmarried MSR members may form a two-person Lease Unit by notifying the Treasurer in writing. Joining MSR as a two-person unit constitutes such notice.
4. An unmarried MSR member may withdraw from a two-person Lease Unit by notifying the Treasurer in writing.

E. The MSR Lease Policy:

1. MSR may grant a specific Lease to one (1), but only to one (1), Lease Unit.
2. Only a Lease Unit may hold a whole or partial share of a Lease.
3. A Lease Unit may lease a second Leasehold with Board approval; any additional Leasehold must be approved by a vote of the general membership.
4. A sole Leaseholder may grant joint Leaseholder status only to the other member of his/her two-person Lease Unit.
5. A non-member Leaseholder must transfer his/her/their whole or partial share of an MSR Lease to an eligible Lease Unit within two (2) years of acquiring the share or within two (2) years of termination of membership, whichever is later. If he/she/they fail to transfer this Leasehold within those two (2) years or fail to pay the Lot Lease assessment payment (per PM 2.09.00), MSR shall cancel the lease and shall without compensation assume ownership of all improvements that are then in, on, or above the Lot.

F. Limitation on Overnight Stays:

1. Overnight Stays on the grounds may not exceed 290 days per calendar year.
2. Overnight stays are defined as being a 24-hour period.

G. Limitations on Use of Leaseholds by Other than the Leaseholder:

1. Leaseholders or their long-term renters shall not permit anyone outside of their own Lease Unit to use any part of their Leasehold or any MSR grounds for more than 21 days per calendar year without Board approval.
2. MSR members who sublet their property to another MSR member, an Affiliated Member or a Non-Affiliated Member for purposes of transient lodging must donate to MSR 25% of the fees collected. “Transient Lodging” is given the same definition as can be found at Chapter 3.08 – TRANSIENT LODGING TAX | Code of Ordinances | Washington County, OR | Municode Library. MSR members who sublet their property to another MSR member on a monthly basis are exempt from the 25% sublet fee. All vacation rentals subject to the Washington County tax must reimburse the Club for 25% of the fees collected.
3. No member may sublet to an Affiliated Member or Non-Affiliated Member, Probationary Member, or an Associate Member without Board approval. Note: Non-Affiliated Member Visitors may not

stay overnight on Club grounds for more than three (3) consecutive nights or 21 days annually on MSR grounds without Board approval.

4. Any MSR Leaseholder may allow another MSR Leaseholder the use of their property as long as both parties continue paying their Leasehold assessments.

5. All MSR Leaseholders who sublet their property or entertain other than MSR members are responsible to ensure that their guest(s) has/have signed a visitor's roster or has registered with the Club Host.

H. Limitations on Structures on Leaseholds:

1. On Lots smaller than full size, the only permanent structures permitted are small storage sheds, tent platforms, patios, and steps for campers, RVs, or trailers.

2. The criteria for Board approval of structures shall include appearance, dimensions in relation to Lot size and shape, and safety.

3. New stick-built cabins or pre-fabs may be constructed or placed on a full-size MSR Leasehold with prior Board approval and the appropriate Washington County permits. Approval and timelines are at the Board's discretion. Stick-built cabins/structures originally built before September 1998 may be rebuilt, expanded, or remodeled.

4. Stick-built cabins, mobile homes, and trailers must be connected to power, water, and sewer.

I. Improvements to Leaseholds:

1. Proposed improvements to Leaseholds require two-thirds (2/3) vote by the Board for approval prior to construction. The approval criteria are the same as for "Structures" above; including submitting a building permit to Washington County, if required, before making structural changes or other improvements.

2. Any construction (construction, wiring, plumbing, or other activity) requiring a Washington County permit must have such a permit.

3. If any construction requiring a permit is performed without one, the Board shall notify the Leaseholder to stop construction until the proper permit has been obtained. If construction continues without a proper permit, the Board shall notify the appropriate civil authority.

4. Structure exteriors must be finished, and Lots must be cleaned up within one year of the start of construction, reconstruction, or remodeling.

a. Leaseholds not in compliance may be considered abandoned and may be reclaimed by MSR upon approval of a majority of the votes received in a mail ballot sent to all eligible members.

5. The Board shall periodically inspect Leaseholds and structure exteriors for safety and appearance. Leaseholders shall upgrade as required by the Board.

J. Emergency Intervention for Leaseholds: For any Lot Leasehold emergency that requires Club Host intervention and is not attended to within 48 hours to repair or make appropriate arrangements, the Lot Lease owner shall be charged \$100.

J. Abandoned Vehicles: If a vehicle or trailer appears to be abandoned, the Club will issue a warning and ask the owner to remove the vehicle or trailer. If within 90 days the issue has not been resolved, MSR may confiscate the vehicle or trailer at the owner's expense.

Information About Lots

Mountaindale Sun Resort (MSR)/Restful Haven has 85 lots. You will see many different types of lots because lots were developed at different times throughout the club's history. Many of the lots are full-sized, approximately 40 feet in width and 60 feet in depth. Terrain may cause a variation in size and shape. Half size and double size lots may also be designated. A map of the lots is listed at the end of this Guide. If you have a question about your lot size, your lot boundary, or related information, please ask a Board Member to review your lot.

Structures on Leaseholds

- On lots smaller than full size, the only structures permitted are small storage sheds, tent platforms, patios, and steps for RVs.
- On full size lots, a leaseholder may have a stick-built cabin.
- New stick-builds, pre-fabs, or cabins may be constructed or placed on a full size MSR leasehold with prior Board approval and the appropriate Washington County permits. Approval and timelines are at the Board's discretion.
- Any lot leaseholder who builds a stick-built cabin, constructed after 2016 must pay time and material rates to MSR if the club makes improvements to their lot for water, sewer, or electrical connections. There is a \$500.00 minimum fee for each lot with a stick-built cabin, manufactured home, or park model. Any connectivity fees for electricity, phone, or data lines are between the leaseholder and the service provider.
- NOTE: If it was originally built before September 1998, or a leaseholder may have a mobile home, trailer, or RV. Stick-built structures originally built before September 1998 may be rebuilt, expanded, or remodeled. This is subject to Board approval.
- The criteria for Board approval of structures shall include appearance, dimensions (in relation to lot size and shape), meets conditions of the Washington County, Oregon, non-conforming use permit, and safety.
- Stick-built structures or mobile homes, RVs, or trailers must be connected to power, water, and sewer. This applies to any structure on a leasehold. If disconnected to winterize during the coldest months of the year, the structure, mobile home, RV, or trailer must be reconnected when the weather warms.

General Rules

- No portion of MSR grounds may become a privately-owned lot. All portions of the grounds, including all eased and leasable lots, remain the property of MSR.
- A lease is an agreement between MSR and one (1) or two (2) MSR members who comprise a Lease Unit as that term is defined herein. MSR grants the exclusive right to occupy and use a defined portion of MSR-owned ground in return for payments and other considerations specified herein.
- The MSR Lease Unit: A Lease Unit is one (1) unmarried MSR member, two (2) unmarried MSR members who have established a two-person Lease Unit, or two (2) MSR members who are married to each other.
- Each MSR member shall be no more than two Lease Units, except in rare, approved instances which require approval by the membership.
- Lot Leaseholders shall not purchase an additional lot lease which has a pre-existing inhabitable structure with the purpose of using the structure as a storage facility.
- Non-members of MSR may not participate in a Lease Unit.
- Two unmarried MSR members may form a two-person Lease Unit by notifying the Treasurer in writing. Joining MSR as a two-person unit constitutes such notice.
- Two people who are part of a Lease Unit, or relationship, cannot each purchase a second lot lease which contains an inhabitable structure in their own name.
- An unmarried MSR member may withdraw from a two-person Lease Unit by notifying the Treasurer in writing.
- Upon termination of the Lease Unit or relationship, one person may then purchase their own lease. If the two partners resume the relationship, the Lease Unit is no longer considered terminated and subsequently one or more of the inhabitable structures shall be sold if the total number of lots is three or more.
- If two single members begin a relationship which results in a merging of their lease units, one or more of the inhabitable structures shall be sold if the total number of merged lots is three or more.
- In order to become a leaseholder, you must pass your probationary period as a member of MSR.
- Your lot should be your nudist place of solace and rejuvenation. With that said, it is not to be used as a place of business, where clients come and go. Working remotely by computer is allowed.

MSR Lease Policy

- MSR may grant a specific lease to one, but only one, Lease Unit.
- Only a Lease Unit may hold a whole or partial share of a lease.
- A Lease Unit may hold a whole or partial share of two leases at a time, with MSR Board approval. More than two leases will require an approval vote by the General Membership.
- Sole leaseholders may grant joint leasehold status only to the other member of the two-person Lease Unit.

Second Home versus Primary Residence

As stated in our Bylaws, Article XIII, under MSR REAL PROPERTY:

B: Primary Residence: No one may use the property or address of MSR as a primary residence for ANY purpose, including auto registration or voter registration. AND

Article XV, under Leasable Lots:

F: Limitations on Overnight Stays, Section 1: Overnight Stays on lease held lots may not exceed 290 days per calendar year.

This is not only our Bylaws; it is a part of our Non-Conforming Use Permit (NCUP) with Washington County, Oregon. Our failure to adhere to this rule puts the Club in jeopardy. If the Club lost this permit, our tax structure, our fees, etc. would radically increase and you as an MSR member would need to pay these increases. Or even worse, the Club could be shut down and members would be ordered off the hill by the County. Notice of this was documented in the NCUP, 2009 approval: Casefile 08-291, Attachment C – Staff Report (NCUP 2008-MSR/RHHC) “This request does not provide any dwelling units.” This statement confirms that no permanent residents/residences are allowed. In addition, the NCUP requires the Club to provide self-governing means to demonstrate compliance. The Club has chosen the “Time on the Hill” book, which is a required document as proof of compliance. The book should be up to date at all times. If you are on the hill for an entire month, you may document the 30 consecutive days stay in one entry.

To comply to the Non-Conforming Use Permit (NCUP), all leaseholders must sign in and out of the Club grounds. This is stated in the Procedure Manual at Section 2.06.00 stating that:

- **Leaseholders or the sub-lessees will sign in and out of the club. This will be verified by the club host and the board. Members may be assessed a fee for not meeting the required time off the hill.**
- **As a lot lease is purchased or transferred, the lot purchasers or their sub-lessees must provide evidence that they have a permanent residence off the hill.**

This is a key part of the compliance in maintaining proof there are no permanent residents on the Club grounds. Another key part is maintaining an accurate physical address outside of Mountindale Sun Resort. Annually, you need to supply a copy of your driver's license that shows that address.

The only exception to this ruling is the allowance of the approved caretaker for water maintenance according to the rules of the Washington County Environmental Health and Sanitation. The duties are performed by the Maintenance Contractor or the Club Host.

The Purchase Process

Who Does What in Selling and Purchasing a Lot Lease?

Seller	<ul style="list-style-type: none"> * Holds the current lot lease and manages the signatures of the lot lease in the sale. * May advertise the sale on www.mountindalesun.com * Determines the price and manages the bill of sale. * Communicates with the MSR Board of the sale for approval. * Determines if the seller or buyer pays the lot transfer fee.
Buyer	<ul style="list-style-type: none"> * Purchases the lot lease and signs the appropriate Lot Leases. * Pays the lot transfer fee unless this is to be paid by the seller. * Receives a new Lot Lease that recognizes their ownership.
MSR Club Treasurer	<ul style="list-style-type: none"> * Receives notification of the sale. * Places the notification of the sale on the Board Agenda. * Creates the new Lot Lease for the buyer. Along with the Club President, signs the lot lease. * Notifies the Club Bookkeeper of the new Lot Leaseholder for billing.
MSR Board Of Directors	<ul style="list-style-type: none"> * Manages all Lot Leases and approves/disapproves the transfer. * May approve/disapprove a rent-to-purchase agreement between a member and probationary member.

Upon finding a seller, whether it is another MSR member or the Club itself, the process is pretty straight forward. You negotiate a price and create a signed Bill of Sale between the two parties.

The approval process by the MSR Board is:

- The Board must be assured that you are a full member (not a probationary member) in good standing.
- The Board may request a document with a proof of a primary residence (not a PO Box).
- Complete the Lot Lease Transfer document and pay a one-time transfer fee of \$350.00 to MSR.

Once the transfer fee is paid, and the transfer is approved and completed, you will receive a Lease Transfer document. A copy is kept in your membership file. In order for the Lease Transfer document to be a viable document, there must be signatures by the President and Treasurer.

Important Notes about the Purchase Process:

Transfer of a lease requires prior or concurrent sale to the prospective new leaseholder of all improvements which are in, on, or above the ground of the applicable leasehold (lot) on the date the transfer is recorded.

The sale price of improvements to leasehold is determined solely by the buyer and seller of the improvements. MSR may be either a buyer or seller. If MSR is neither buyer nor seller, MSR shall have no role in determining the sale price of the improvements or any other terms of sale. Neither buyer nor seller is obligated to disclose the sale price or other terms to MSR or to any other third party.

A leaseholder and a prospective new leaseholder must, within 30 days of the date of sale, state plans of improvements to the leasehold and jointly ask the Treasurer or his/her designee, in writing, to record transfer of the lease. Each leaseholder will be informed at the time of submitting such plans that Washington County requires a building permit before making structural changes or other improvements.

The steps are:

- MSR shall collect a fee for recording transfer of a lease in the amount of \$350.00.
- The prospective new leaseholder is responsible for paying the lease transfer fee. If the prospective new leaseholder is eligible to hold a lease, and has paid MSR any applicable lease transfer fee, the Treasurer shall record the transfer.

- Until the transfer is recorded, the current leaseholder remains the leaseholder of record, and is responsible for all monies due MSR.
- The transfer fee must be paid prior to the new owner taking possession of the lot.
- When a transfer is recorded, the new leaseholder becomes responsible for all leasehold-related monies owed MSR by the prior leaseholder.

If you are inheriting your lot, or it is a settlement of a divorce decree, you must show proof of ownership with the appropriate original court document. As a part of good estate planning, remember to include your cabin/lot lease in your plan. Please notify the Club Treasurer of this to be attached to your Lot Lease. (See Page 14 Lot Lease Summary.)

Electricity and Other Utilities

- **GARBAGE SERVICE:** Leaseholders are responsible for their own garbage. It is important to know that there is no garbage pickup for each lot. The leaseholder must transport their own garbage to the Club facilities. Garbage pickup is about 8 AM every Monday. This is subject to change, so check with the Club Host for accurate dates and times.
- **ELECTRICITY:** All lots are on PGE power. It is up to you as a leaseholder to arrange for your electricity service with PGE.
- **OTHER FEES:** To protect your place during the winter, you may be assessed a small fee used to winterize the water. You will be notified if the Club must complete this activity.
- **MSR** has its own water source (well and springs) and sewer system. Please respect the fact that this system supports the clubhouse, grounds, your neighbors, and you. Don't water your lawn in excess. Don't wash your vehicles (autos or RVs) when water conservation signs posted because water is scarce in the summer. Water is precious at MSR! Be sure to maintain your cabin's water use such as toilets, showers, faucets, and watch for leaks. This will keep our resources available for everyone.

Fees and Costs

Costs to Leaseholders:

- **Lease Transfer Fee:** The lease transfer fee is \$350.00
- **Taxes:** Leaseholders shall pay MSR an annual tax in advance, for the lot only, at the rate \$20.00 per full-size lot. Leaseholders of larger or smaller lots pay in proportion to the lot's size. The \$20.00 annual fee will be due each year by January 31st. Leaseholders shall also pay MSR such amounts as may

be assessed to MSR by the County Tax Assessor against the leasehold and improvements thereto. The Washington County Tax assessments will be due each year by January 31st.

- Service Charge: Leaseholders shall pay MSR \$250.00 per quarter (due quarterly on January 31st, April 30th, July 31st, and October 31st) for water, sewer , and other charges.
- Leaseholders who stay at MSR 15 or more days a month, shall pay an additional \$20.00 per month to offset the cost of general use, water, sewer and road maintenance, and other privileges they may enjoy, including garbage service.
- Other Costs: All other operating costs including electrical power, propane, and telephone are in addition to the above and are the responsibility of the leaseholder.
- All lot lease assessments and associated fees over 30 days Past Due will be assessed a late payment penalty of \$30.00 per month until all fees are paid.
- Any lot leasehold emergency that requires Club Host intervention and is not attended to within 48 hours to repair or make appropriate arrangements, the lot lease owner shall be charged \$100.00
- There may be annual additional assessments voted by the membership. This information is made readily available to the lot leaseholder.

Appearance of the Lot

People notice your lot and that reflects on you and the Club. If you are not able to do lot maintenance or desire to have lot external maintenance done for you, it is your responsibility to hire the work done. It is not the responsibility of the Club to maintain the appearance of your yard or cabin exterior. Every spring, there is a survey of the lots by a committee for appearance and safety. It is your responsibility to respond to recommended improvements noted by the survey. The most recent survey results are posted in the clubhouse. Leaseholders who are cited in the survey are expected to respond with a communication to the Board about their plan to deal with the needed maintenance on their lot within 30 days of receipt of the email or mailed letter. The plan should include a completion date within 90 days of the receipt of the email or mail or mailed letter. If there is no response within 30 days, the leaseholder will be billed \$100/month until the citation is addressed. If work is not completed within 90 days, or within a time frame agreed upon by the Board, the leaseholder will be billed \$100/month until completed.

Your Neighbors

With our small lot sizes, your neighbors are close to you. Follow the rule of “treat others as you want to be treated” with your neighbors, and you will get along fine.

Things that are common issues are: noise, pets, and vehicle parking. It's as simple as this: Don't be noisy before 8 AM or after 10 PM, keep your pets on a leash and control their behavior, park on your lot only – unless you have made special arrangements.

Pets

Your well-mannered, leashed pets are welcome at MSR. Just as in any other community, and as in the Washington County ordinance, it is recommended that you have no more than two (2) pets on the premises and respect all of the neighbors' feelings about your dog or cat. You are expected to bag any pet feces on the grounds. Pets are prohibited in the sunning area and in the clubhouse, even if being carried. Pets must be on a leash, except in designated non-leash areas, when not confined to owner's property. Anyone who brings any animal onto the grounds of MSR assumes total responsibility for the actions of the animal and shall clean up after it. Devices for cleaning up after the pet are available for checkout in the clubhouse.

Effective 2016, there are specific rules about pets on MSR Grounds. This is outlined on page 12 of the RHHC/MSR Procedure Manual under Section 2.11.01 Pet Policy.

Vehicles and Parking

Be sure that parking your vehicle(s) adheres to the Club rules and is not intruding on your neighbors. Each leaseholder may have no more than two (2) vehicles at their lot. Any additional vehicles, recreational vehicles, boats, trailers or other structures must be parked in an approved area. The Club Host can direct you to the correct area. Parked vehicles or trailers must not appear abandoned and more specifically, must have current tags on all vehicles. Domicile trailers are excluded from the requirement of having current tags.

To maintain your status as a "good neighbor", please obey the RHHC/MSR Procedure Manual Rules (Section 2.12.00 Vehicles) on driving a vehicle on Club grounds. Specifically, the speed limit is 10 MPH.

If a vehicle or trailer appears to be abandoned, the Club will issue a warning and ask the owner to remove the vehicle or trailer. If within 90 days the issue has not been resolved, MSR may confiscate the vehicle or trailer at the owner's expense.

Operators of all motorized vehicles must have a valid driver's license. No motorized vehicles are permitted off MSR roads without permission of the Club Host. This includes trails, grassy areas, etc. All vehicles must be parked in approved parking

areas, and drivers must exercise considerate behavior with horns, mufflers, etc. Weather permitting, golf carts may be parked by the pool on the grass.

Safety and Security

MSR is a part of the beautiful Oregon forest. Fire protection is always on the minds of Club members. It is highly advisable to keep a fire extinguisher and a working smoke detector on your premises. Keep watch of any safety hazard and report any hazardous situation to the Club Host.

The Club receives emergency medical services from North Plains. This is 20 minutes away. Should you have emergency medical services coming, it is helpful to have the Club Host, or a neighbor direct them to your location.

TO CALL 911

- **STATE YOU ARE AT MOUNTAINDALE SUN RESORT**
- **STATE THE ADDRESS OF 27100 NW DAIRY CREEK RD & YOUR CABIN NUMBER**
- **STATE YOUR PHONE NUMBER**
- **IF YOU CAN, HAVE ANOTHER MEMBER OR CLUB HOST DIRECT THEM TO YOUR LOCATION**

No open burn piles are allowed on any lot. Only approved covered fire pits are allowed, and these may be prohibited at certain times of the year. Check with the Club Host to make sure you are allowed to burn outside. Burning of trash is not allowed at any time. Burning of slash and lawn debris in designated areas must be approved by the MSR Board and the Washington County Forestry Department.

Winterizing Your Cabin

Mountaindale Sun Resort is at the foothills of the Oregon Coastal Range. This provides our beautiful scenery, but it also brings all four seasons of weather. Just as you protect your primary residence against frozen pipes, down electricity lines, etc., you need to do the same at MSR.

WATER: Turn off your water when you are not at your cabin. Please do not leave your sink taps dripping as a “winterizing” measure. This is particularly important during a power outage, as our pumps are electric, hence they don’t work without power. This can quickly cause our water reservoir to dry up. In addition, this over taxes the sewage system with the excess water going down the drain. Lastly, dripping water consumes electricity and our water chlorination/filtration products. In summary:

- Drain all water pipes and fixtures;
- Wrap exposed pipes with insulation and cover with waterproof material;
- Optional: Fill fixtures with possible existing water with RV anti-freeze;
- Do not leave water dripping! All water supplies must be turned OFF;
- Mark your emergency water shut-off valve with a tall reflector. Must be seen from the roadside with snow on the ground.

ELECTRICITY: It is safe to assume that MSR will lose power during the winter. If you do not have alternate power, such as propane, natural gas (not available yet), or oil, your cabin’s temperature will drop and perhaps match the outside temperature. This will impact many systems.

TREES: There is a strong possibility you will have tree limbs fall on your lot during a major storm. If there is structural damage, notify your insurance carrier. Take pictures of all damage and notify the Club Host of the damage. If you wish to remove a tree for any reason on your lot, you must gain Club approval. The Bylaws are very clear on this. Before even considering any type of tree removal, read Page 14, ARTICLE XIII MSR REAL PROPERTY, Section D: Cutting Timber and Shrubs.

POWER OUTAGES, FREEZING TEMPERATURES, EMERGENCY ACCESS, AND OTHER ESSENTIAL INFO! NO POWER = NO SEWER!

- ***THIS IS NO JOKE!*** Do not flush toilets or septic system in any way during power outages! Although your water may run because of our gravity-fed system, you cannot send sewage to the septic tank. The septic system requires power to activate the pumps to move sewage to each station and eventually to the drain field. If you do use the septic system, the sewage will build up until it overflows. Without a working sewage system, we will be forced to evacuate the premises. In other words: **NO POWER = NO SEWER!**
- **EMERGENCY KIT** – Keep an emergency kit on hand in an easy-to-access location. If you require assistance on compiling a kit, or need more information, please contact the Club Host.
- **EMERGENCY ACCESS KEY AND WATER SHUT-OFF VALVE** – Leave an emergency access key to your cabin with a neighbor, friend, or Club Host. Please let the Club Host know who you have left your key with, in case of emergency. Mark your emergency water shut-off valve with a tall red

reflector. The reflector must be seen from the roadside with snow on the ground.

Your Guest Member Visitors

Even if your guest is only visiting you and not using Club facilities, we request that your guests register at the clubhouse and be issued a no-cost guest notice. If your guest will be staying overnight, there is an overnight fee of \$5.00 per night. This ensures that we know who is on the grounds in case of emergency or fire. Lastly, please remember your guests are subject to the rules and requests of any other member or guest on the grounds. As a member, you are responsible for the activities and behavior of your guests.

Children

Children (under the age of 18) are the responsibility of the parent, grandparent, or guardian at all times. After 10 PM, minors are prohibited in the clubhouse where alcohol is present. While well-behaved children are welcome and encouraged at MSR, children's behavior that is not acceptable will be discussed with the parent, grandparent, or guardian and, if necessary, the children will be confined to the parent, grandparent, or guardian's lot; or told to leave the premises by the Club Host.

Marijuana and Your Lot

Marijuana possession is legal in the State of Oregon. You may be in possession of marijuana in your leasehold as the law permits. You may not grow marijuana plants in or on your leasehold or anywhere on club grounds.

Renting Your Lot

There are several options in renting your lot. You may wish to assist the Club by having your cabin or RV become a short-term vacation rental, or you may enter into a rental agreement with another member. It is all doable as long as you follow the Bylaws and work with the Board of Directors with your plan.

Rent to Lease Options – You may rent your lot to another member upon receiving approval from the MSR Board of Directors. If you plan to “rent to sell” your lot to a current probationary member, they will have been a probationary member in good

standing for three (3) months and must have attended three (3) meetings prior to entering a signed rental/lease option agreement.

There are other specific conditions that must be in place for renting to anyone – including a probationary member.

There are three (3) areas that need to be understood by the leaseholder and the renter about a rent-then-purchase agreement with a probationary member at MSR:

1. **Be a Regular Member at Mountaindale Sun Resort** – In order have any conversation about renting a leasehold or renting to purchase a leasehold, the renter must become an MSR Regular Member. A Regular Member enjoys all privileges of membership including voting, holding elective office, and leasing a lot. Regular members pay regular MSR dues. They must also pay AANR and AANR Northwest dues, either through MSR or through another AANR-affiliated club.
2. **Obtain Approval from the Board of Directors:** (See the Bylaws, Page 18, ARTICLE XV LEASABLE LOTS, Section F Limitations on Use of Leaseholds by other than the Leaseholder.)
 - Leaseholders or their long-term renters shall not permit anyone outside of their own Lease Unit to use any part of their Leasehold for more than 21 days per calendar year without Board approval.
 - No member may sublet to a non-affiliated member, probationary member, or an associate member without Board and membership approval.
 - Any MSR Leaseholder may allow another MSR Leaseholder the use of their property as long as both parties continue paying their Leasehold assessments.
3. **Clearly understand the Implications of Entering a Rent-to-Buy Agreement During Probationary Membership Year:**
 - Upon completion of at least three (3) months' membership and attending three (3) meetings, probationary member may receive eligibility to enter into a rent-to-buy agreement.
 - The probationary member and Leaseholder negotiate a price and determine who will pay the MSR Lot Lease fee. NOTE: The Lot Leaseholder is ultimately accountable for the payment of the Lot Lease fee.
 - MSR members who sublet their property to another MSR member on a monthly basis are exempt from the 25% sublet fee.
 - The Lot Leasehold and the probationary member determine who holds the PGE account for the lot.

- In the unlikely event the probationary member does not pass probation and is expelled from the Club, the Lot Leaseholder will need to make arrangements with the renter to gather their belongings. It is possible to make arrangements through the Club Host.
- Upon successful completion of the probationary year, a lot lease transfer is approved by the Board of Directors and the buyer becomes the new Lot Leaseholder; with full ownership – including all MSR rules, responsibilities, and fiscal relationship with MSR for payment.

Subletting Your Lot

You may choose to have your cabin, RV, or leased lot in the pool of cabins that the Club may sublet on the Leaseholder's behalf. To do so, you must sign the Restful Haven Health Club Agreement and adhere to the rules. This includes the rule that you must insure your cabin in order to have it be used as a "rental" or sublet facility. A copy of the insurance policy should be a part of the leasehold file. The agreement is on the website. In considering participating, you should determine how much you will charge, how you will maintain the cabin – including housekeeping services and what "rules" you will have in your cabin on items such as pets, smoking, children, etc.

Other rules include:

1. Leaseholders or their long-term renters shall not permit anyone outside of their own Lease Unit to use any part of their leasehold for more than 21 days on MSR grounds per calendar year without Board approval.
2. Any guest or visitor, including those only on the grounds to visit you, must supply the Club Host their first name, last name, and information shown on the registration envelope.
